Welcome Parents!

Thank you for choosing our summer program this year. If this is the first time that your child will be joining us, we welcome you to visit Hartsuff Park prior to the start of our summer program. Our home base for the Chipmunks and the Full Day Program is in the grove area of the park where all the trees are located and our bathrooms. Our Rockland Teen Adventure Program meets on the opposite side of the field from the parking lot where the blue and white shed is located. We will have a variety of activities for the children all summer. For our Chipmunks and Full Day program we have themed our weeks so that we can base most of our activities on that theme (excluding field trips).

The *Parent Handbook* has been written to describe our program, philosophy, policies, and all the practical details that go into making each day easier for you and your child. Please carefully read this handbook and keep it for future reference. The Rockland Recreation staff would be glad to address any of your questions or concerns. Once again, welcome!

Rockland, MA 02370

Program Hours

Monday – Friday

8:45am to 3:00pm

Extended hours for additional prices are available as follows:

7:30am to 8:45am for Pre-Care

3:00pm to 5:00pm for Post-Care

Arrangements for extended hours, before or after, must be made at least 24 hours in advance. Should you call after the 24-hour period you will be charged **\$15.00** for that day's extended time. (Please note we cannot always accommodate last minute request due to staffing.)

Drop-Off @ 8:45 am

Drop off will be rolling, we ask that you stay in your car and make a line along the fence near the field. A staff member will remove your child from the car and guide your child to the field where they will be checked in with their group and counselor. Parents, if you need to get out of your care or need to talk with one of the directors, please pull into a parking space and wait until the end of drop off. At that point you can get out and talk with the appropriate staff member.

Please understand we have a system in place to keep everyone safe and are following state guidelines.

Early Pick-Up

If your child will be leaving early, please notify the Director of your child's program, in writing, on the morning of the designated day or you can send an email to rocklandrec@rockland-ma.gov. The staff will have your child prepared to depart at your requested time.

Pick-Up – 3pm

The pick-up will be at the field next to the parking lot of Hartsuff Park. Check in with our staff to have your child dismissed from the program. Our staff throughout the day will assist your child with keeping their belongings neat and together. There are times when we have lost clothing or items so if you find your child is missing an item, please contact the office or let one of our staff members know. Often time we hang up lost items along the fence and keep a lost and found bucket located in the office inside the bath house.

Should you need to speak with a staff member we ask that you wait for a staff member to become available, which will likely be at the end of pick up.

Late Pick-Up

We close **promptly** at 5:00 pm. For all children not picked up by the end of the program, regular or extended hours, the following late policy will be in effect:

- First 5 minutes: Grace Period
- Each 5 minutes thereafter: \$5.00 per child

The late fee is in place to compensate staff members for their time. If you know you will be late, please attempt to make alternate pick-up arrangements.

NOTE: When a child is not picked up in emergency situations including, but not limited to inclement weather or natural disasters, we will follow the above “late pick-up” policy listed above starting 45 minutes from when the parent has been informed of the need for children to be picked up.

Children at Risk

Parents who arrive at program in an incapacitated condition (i.e. alcohol, drugs) present a risk to their child. The staff in charge will advise the guardians of their options regarding the transportation of their child to their home.

Some options that may be exercised are:

- Call another person on the child’s emergency contact list
- Call the other parent or guardian
- Call a nearby neighbor / friend

If a reasonable conclusion cannot be reached, the parent will be advised that either Child Protective Services or Rockland Police will be called.

If you are not registered before 9:00am on the Friday before, you will not be receiving this email. You can access additional recreation department information on our website:

www.rocklandrec.org

DISABILITIES

For the Rockland Recreation Department to provide the best program experience for your child, we ask that prior to registration, you consult recreation staff regarding any special needs of your child. Since there are some medical treatments and procedures that legally our program staff is not trained nor qualified to perform, children will be enrolled on an individual basis. We will make every attempt to serve all children.

CONDUCT

Rockland Recreation staff are committed to providing a safe and welcoming environment for all our registrants and guests. All program participants are expected to exhibit appropriate and respectful behavior while they are at our facilities or participating in our programs. We do not permit language or actions that can hurt or frighten another person.

Specifically, this includes:

- Angry or vulgar language including swearing, name calling, and shouting
- Physical contact with another person including staff, in an angry or threatening way
- Any demonstration of sexual activity or sexual contact with another person
- Harassment or intimidation with words, gestures, body language or other menacing behavior
- Behavior which intends to or results in theft or destruction of property
- Carrying or concealing any weapons or devices that may be used as weapons

Staff are trained and expected to respond to any reported violation. Please do not hesitate to notify a staff person if you need assistance. Rockland Recreation management will investigate all reported incidents. Incidents may result in dismissal or termination from the program. **No refunds will be given for these instances.**

DISCIPLINE POLICY

Depending on the severity of the behavior, we MAY skip any of the steps below. (i.e., aggressive behavior, bullying, repeat offenses, etc.)

Step 1: Verbal Warning/Break from Group or Activity

The staff will address the behavior and if necessary, the child will be asked to take a short break from activities. During this break the staff may advise the child on other strategies to better deal with their behaviors.

Step 2: Written Warning

Staff will issue a written warning if the child ignores redirection and continues the behavior. Parents will be given a copy of the incident. The original will be placed in the child's file.

Step 3: Suspended/ Withdrawn

Depending on the severity of the incident or after several re-occurring incidents with no change in behavior, staff may suspend your child or withdraw your child from the program. In certain situations, a guardian will be contacted to pick up the child immediately.

Abusive behavior will result in immediate dismissal.

EXPECTATIONS

Good behavior will be encouraged through positive reinforcement. The staff will work cooperatively with parents, keeping them informed of behavior issues and methods used to teach and guide the children toward socially acceptable behavior. Behavior problems that cannot be resolved cooperatively will result in your child's dismissal from Rockland Recreation Hartusff Park Summer Program.

If your child has been receiving assistance in behavior management during the school year, it is imperative that this information be shared with the program staff. This will enable us to work more effectively and productively with the child. Please note we do not have enough staff to work with your child one on one. If you are sending your child to our program with a one on one, please inform the office.

COMMUNICATION WITH STAFF

If your child needs help, has concerns, or is having issues with others, we ask that the child speak to their counselors **IMMEDIATELY** so that these issues are handled. While our staff are doing their best to supervise and provide instruction for games and activities, they may not see everything that occurs during the day. It is important that children and adults communicate any concerns so that the staff can reinforce the rules and ensure that every child can safely enjoy their time at Hartsuff Park. If there are concerns with behaviors, please feel free to speak with the director of your child's program.
